SCHAEFFLER XTRA3  
Multi Purpose  
Premium Grease

**FAG**

## Introducing SCHAEFFLER XTRA3 Multi Purpose Premium Grease

A grease must go a long way before it can be called Schaeffler XTRA3 grease. Powered with advanced R&D and tested at extremes, the Schaeffler Premium Grease is the epitome of German excellence. Its specialized formula delivers the guarantee of reliability, stability and superior performance even in the most demanding conditions. It is time to experience this revolution designed for every bearing application.

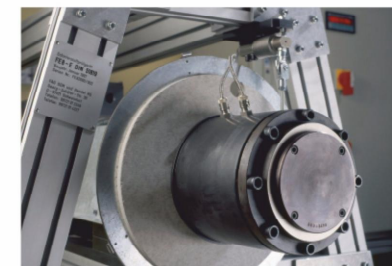

### Proven performance for a wide range of applications

Schaeffler multipurpose premium grease is a high performance product scientifically engineered to meet and exceed the demanding requirements for

applications at extreme temperatures. The balanced formulation makes it the preferred choice of grease across a wide variety of machinery and components.

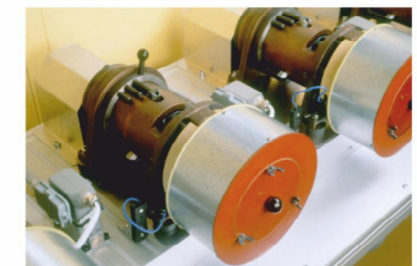

## German Excellence Made in India

FAG FE8 test (DIN 51819) - Service life at realistic operating conditions

- Tested extensively under the harshest conditions at Schaeffler laboratory in Germany

FAG FE9 test (DIN 51821) - Service life at upper limit temperature

- Tested at Schaeffler laboratory in Germany at a maximum operating temperature of 120°C

### Value for Money

- Longer Service Life
- Higher Reliability
- Longer Re-Greasing Interval
- Superior Corrosion Protection
- Excellent Structural Stability
- Superior Thermal and Oxidation Stability
